President's Note

Save these Dates! For fun and exciting chapter events!

The Greater Kansas City Chapter of People to People International has two exciting events later in the year that you will want to get on your calendar now. Details on these events will follow later in the year.

A Celebration of International Friendship

**Presented in Part by the David Beaham Family
August 22, 2014**

On August 22, 2014, our chapter, in conjunction with the Command and General Staff College Foundation, the David Beaham Foundation and People to People International, will sponsor a gala at the Kauffman Center for the Performing Arts. The event will honor

the late David Beaham, a longtime supporter of the International Military Student (IMS) program at Fort Leavenworth, and the current classes of international military students.

The 7:00 p.m. program will begin with a reception in the atrium of the Kauffman Center with hors d'oeuvres, followed by a parade of flags carried by the international military students and a musical program. After a wonderful musical program, dessert and beverages will be served in the atrium. This will be a first-class program at a very reasonable price. This event will be open to all chapter members, regardless if they are, or are not, currently sponsoring an international military student. Trust me, you don't want miss it. Watch for details.

A Day at the Deanna Rose Farmstead

September 21, 2014

On September 21, 2014, GKCPTP will again offer the international military students, their sponsors and prospective chapter members a day at the Deanna Rose Farmstead in Johnson County, Kansas. This has been a very popular event with the international military students and chapter members for several years.

The event offers food, fun and a chance to spend the day with your international military student (and family) if you are a sponsor or a chance to meet the students and other chapter members if you are not. It is also a great event to invite prospective members so they can get a first-hand feel of the fun they're missing (unless they join!). Details of this event will be communicated in the future.

I hope to see you at these great upcoming events. Barbara and I have put them on our calendar. Will you do the same?

Warm regards,
Larry Dolci
