President's Message

Dear members,

I hope you all are waiting for spring, full of flowers, birds, sunshine and no masks.

We are almost there, can't wait to Zoom with you, to see your beautiful smiles. We are a family and that's what makes us unique and strong.

It's my understanding that some of our members learned from the media about the financial troubles of PTPI and its related travel company. Please click on [this link](#) to read GKCPTP's Executive Committee official response.

I am proud of your commitment to our sponsorship program, one of the finest in the world. You are the reason this program is successful, serving as true ambassadors of the USA. By establishing strong relationships with international military students from over 90 countries, you are making a difference in the world. Planning is well underway by the military committee to make sponsor assignments in preparation for the arrival of the next class.

I would like to remind you of our GKCPTP annual meeting, to be held on April 19, 2022 at 6 p.m. via Zoom. I hope you will take time to attend. I would love to see you all there, it's our version of a family reunion.

Get ready for upcoming academic year and our international guests. Strive your best to serve them in a way that they can remember your hospitality for the rest of their lives.

As always, if you have any questions or concerns, please feel free to contact me (or any board member).

Sincerely,

Zahid Awan

PS: New chapter members and sponsors offer an infusion of new ideas and energy to our organization; and I love their courage to give us their valuable time.
