Flag Ceremony August 8!

The Flag Ceremony for international military student class of 2023 starts at 9:30 a.m. on Monday, August 8. It will be held indoors at the Lewis & Clark Center. The event will also be streamed on the [CGSC Facebook page](#).

The ceremony honors the new class of international officers, and officially opens the new year at CGSC. This event is open to the general public, however, visitors must comply with the Fort's current base access policies.

There will be *golf carts* running from the upper parking lot to (and from) the Lewis & Clark Center. There will no *buses* for shuttling attendees.

The ceremony starts at 9:30 but sponsors should arrive at **9:10-9:15** to get a seat by 9:25. Arrive no earlier as the security sweep is scheduled between 8:30-9:00 and doors will be locked until 9:10. Please don't give gifts, take photos, etc. before the event as the Fort needs the IMS to focus on the event and scheduling.

There will be a formal reception after the event where sponsors can interact, take photos, give gifts and have some food with their IMS.

Note: The Fort Leavenworth **guard booths** at Grant Gate are currently being replaced. During construction, lanes at Grant Gate will be closed in succession, changing inbound traffic patterns. This work may or may not be complete by the date of the flag ceremony. The Fort does not expect the construction to be overly burdensome.

Update from David Bornn

If you are having any trouble contacting any of your fellow sponsoring families from the Fort, Operation International or your IMS, do email David (david.m.bornn.civ@army.mil) at your earliest convenience so IMSD can ensure that you connect!

Also, let us know if you believe you are eligible for any of the **sponsor recognition awards** (5,10,15, 20, 25, 30, 40 or 50 years cumulative sponsoring).
