Fall Food Fairs Canceled Including Sept 17 (Reminder)

The Fall Food Fairs have been canceled in accordance with the new COVID Guidance published by the CAC CG and Deputy CG. Those sponsors that were assigned to that event, we apologize for the inconvenience. We will not be re-scheduling the Fall Food Fair later, nor can we have multiple sponsor families attend one of the current remaining two sponsor events. Again, with the COVID restrictions in place we thank you for your understanding through these complex and challenging times!

The program will include a panel discussion featuring international military officers at the US Army Command & General Staff College, who will share their experiences as UN peacekeepers.

The UN Department of Peace Operations will be represented by Colonel Stephanie Tutton (US Army), director of the policy and doctrine team, Office of Military Affairs. Immediately before assuming her position a UN headquarters, Col. Tutton served in the UN peacekeeping mission in Mali.

This program is presented by the Harry S. Truman Presidential Library and Museum, the United Nations Association of Greater Kansas City and the National WWI Museum and Memorial, in cooperation with the International Student Division of the U.S. Army Command and General Staff College.

Please do register so the museum has a good head count.

"Circle of Knowledge" Events Offer International Learning Opportunities

GKCPTP seeks to make a difference, through personal involvement, in the lives of people from different parts of the world by learning from cultural presentations representing countries throughout the world. Between Fall 2021 and Spring 2022, we are again planning to offer 3-4 Circle of Knowledge events for GKCPTP members and guests.

Look for an announcement in a future Mailchimp message with Circle of Knowledge event dates, Zoom links and featured countries. Then, invite your neighbors and friends to learn about our unique relationship with the foreign officers, some of which will be represented in these talks. These presentations are similar to the Know Your World events given on post.

Last year, one of our Circle of Knowledge presentations was from a past CGSC graduate and it was quite interesting and informative. If any of our sponsors have a previous IMS graduate that you'd recommend, please contact Nancy Quitmeier at nquitmeier@gmail.com with the officer and country information. A program by a former CGSC graduate would be initiated by the officer's former sponsor and would be considered unofficial (from an

IMSD/Army perspective).
